*Rescuing kids from sexual exploitation
and human trafficking and keeping them free*

Destiny  **Rescue**™
RESCUING CHILDREN

**A Letter From
Kirk Falconer
CEO, Destiny Rescue USA**

I want you to know we are winning. Your investments in Destiny Rescue are growing. In fact, over the last 10 years, through God's grace, we've been growing an average of 30% per year. Our rescue model is working. Even during this pandemic year, you funded an average of two rescues per day!

Our freedom model is also thriving. I want you to know the vast majority of young girls who enter our care are still free because you are funding their Paths to Freedom—a safe place, urgent health needs, education, temporary economic assistance, emotional health and sharing the Good News!

This pandemic has drastically increased poverty and driven many families to desperation. Unfortunately, child sex-trafficking is going to grow. I believe our 19 years of experience has honed a growth model that is working and worth investing in.

Whether you are a monthly Rescue Partner, formed a team to raise the funds to Rescue A Child, inspired your church to host a Rescue Sunday or invested in one of our rescue projects, you made this possible. By God's grace, you are one of the heroes of her story!

Together for the King and the kids,
